GEORGE FOX AND THE WITCHES
 After the etching by Robert Spence,
 owner of the original manuscript journal of
 George Fox, and by courtesy of the Artist.

As I was going to a meeting, I saw some *Women* in a *Field*, and I discerned them to be *Witches* and I was moved to go out of my way into the *Field* to them and declare unto them their *Conditions*: telling them plainly, *They were in the Spirit of Witchcraft.*

George Fox *his Journal.*
